

### Features

- Ultra-long standby, replaceable battery
- Power switch and SOS functions
- Optional waterproof housing
- Supports temperature and humidity detection (BV03)
- Supports SOS emergency function (BV04)
- Applications: RTLS, asset management, IoT applications
- Made in Taiwan

### Specifications

Color	Black
Dimensions	57.5 x 42 x 10.5 mm
Weight	12g
Bluetooth	BLE 4.2
Battery	Replaceable CR2032 button cell
Frequency	2.4GHz ISM (2.40000 - 2.4835GHz)
Standby Time	2 years
Microcontroller	32-bit ARM Cortex M4
Operating Temperature	-30°C to +60°C
Transmission Distance	5~15m (open space)
Broadcast Interval	1000ms
